## **Time Of The Mouth Biography/Upcoming Shows 2020**

## Bio:

Hailing from The Midlands, Time Of The Mouth (TOTM) are 4 lads who's appetite serves up an evocative cocktail of pop punk, rock and emo with a modern twist. Lyrics personify frontman and songwriter Chris Jones in songs inspired by a multitude of topics including the pain of fallen relationships, the excitement of new love and the crazy life of being in a band. His on stage alterego is at the heart of their electrifying live performances leading band mates Ash, Mitch and Ollie in rolling out hypnotic performances. They explode on stage with an infectious penchant for beefy punk-rock riffs, juxtaposed with heartfelt lyrics of love and loss.
